“Diet” Stroeh’s beloved wife, Margaret, was stricken with cancer. He became her family caregiver, walking the road of anguish and fear. He talks about his life, career and married life and his book, ‘Three Months: A Caretakers Journey from Heartbreak to Hope’, www.threemonthsbook.com. He describes the very first day that he and his wife set out on their journey with pancreatic cancer, and the things they talked about. He explains the challenges created for him and his wife during their journey together with the pancreatic cancer. He describes the ways they overcame or worked around the challen

Featured Guest

J. Dietrich “Diet” Stroeh

J. Dietrich “Diet” Stroeh is an engineer whose projects range from great to small. His first book, *The Man Who Made it Rain* (co-written with Michael McCarthy) is based on his management of the Marin Municipal Water District in the midst of one of the worst droughts on record.
