Fear is Negotiable: Business Survival Skills 101

Archives Available

February 11th 2014: Trends in Data Breach Lawsuits

Within 24 hours of the massive and highly publicized data breach at Target, the lawsuits were already being filed. But have you ever wondered just how successful data security or privacy breach lawsuits really are? Join us as we investigate the successes and roadblocks of data breach lawsuits with Darin Sands, Attorney and Shareholder with the law firm Lane Powell PC.

Featured Guest

Darin Sands

Darin Sands is a litigator whose practice focuses on complex commercial disputes. He is the co-chair of both the Firm's Privacy and Data Security Practice Group and Electronic Discovery, Technology and Strategy Practice Group. Darin represents clients in a wide range of matters, including class actions, international antitrust investigations and litigation, claims involving breach of contract and fiduciary duties, claims arising out of non-competition agreements, internal investigations, privacy and data security litigation, and counseling related to electronic discovery policies and protocols and disputes. Darin is also a member of the Firm's Business Crisis Management and Emergency Remedie
