February 6th 2014: How technology allows small business to bank like the big boys...

Running a small business can be a sisyphian undertaking and in the current economic conditions, you need to be able to get the investment and capital quickly in order to take advantage of opportunities as they present themselves. Technology can help level the playing field, optimizing the formerly slow process of getting a loan and allowing small businesses to get the capital influx they need quicker, smarter, and tailored to their individual needs. Today on Breaking Banks, Brett is speaking with Ami Kassar, the CEO of Multifunding and Victoria Treyger, the CMO of Kabbage- two innovators
