February 20th 2014: Got Soul? How These Miracle Seeds Heal Lives

What is Soul? It is a blend of natural organic seeds oils that delivers the most potent wholesome food nutrients packed in a certified USA facility using unheated 'cold-pressed' technology. Meet Byron Belka, President of Rain International, and find out what makes this product unique in today's market of supplements touted as "miracle cures." Not only has Soul been hailed as one of the most important anti-aging supplements on the market, but listen to Byron as he talks about the various medical studies done on the black cumin seed. Hailed for centuries as the "miracle, heal-all remedy" bl

Byron Belka

As President of Rain International, Byron Belka oversees every aspect of the company's organization. Widely known as a successful top distributor in the industry, Byron brings over ten years of field experience to Rain International. At the prodigious age of 28, Byron reached top commission level with his first direct sales company and has remained in the industry's elite class ever since. Byron's firm belief is that one can't teach someone else to ride a bike by giving them a book to read or by simply having them attend an event. His motto: the ultimate success in the network marketing industry comes through hands-on experience. Byron has conventional, hands-on experience with establishing
