The Money Answers Show Monday at 12 Noon Pacific March 10th 2014: Learning from the history of Financial Crises

Tim Knight is an ardent student of financial history and in this interview, he will explain how you can become a better investor by learning from stock market crises and turmoil since 1600. In his new book Panic, Prosperity, and Progress: Five Centuries of History and the Markets, he explains what set off the financial crises of the last five centuries and how they were ultimately resolved and how investors who understood what was happening could profit in a major way. Knight runs a trading service called Slope of Hope in which he recommends long and short trades on stocks, foreign exchange,
