**February 24th 2014: EXPOSED: The U.S. Secret War on
Wildlife with Brooks Fahy**

Wildlife Services—a barbaric, wasteful and misnamed agency within the US Department of Agriculture, has been having their way for almost a century, our government's secret war on wildlife has been killing millions of native predators and birds as well as maiming, poisoning, and brutalizing countless non-targeted and endangered species, along with quite a few pets and seriously injuring people. Brooks Fahy, the man behind Predator Defense and the landmark film, "EXPOSED", brings three former federal agents and a Congressman who blow the whistle on the atrocities committed under the guise of pro

Brooks Fahy

Brooks Fahy is the Executive Director of Predator Defense, which he co-founded in 1990. Predator Defense works to protect native predators and create alternatives for people to coexist with wildlife. For the last 30 years, Brooks has devoted his career to documenting and exposing the dangers wildlife, people and pets face as a result of our USDA "Wildlife Services" lethal methods for controlling native predators such as cougars, coyotes, foxes, wolves, bobcats, and bears. Brooks works tirelessly to bring attention to, and stop, this "war on wildlife" through extensive investigations into the practices of Wildlife Services and their lethal methods which include the use of illegal poisons, tra
