Autism One: A Conversation of Hope Archives Available

February 25th 2014: What is CBD, and how does this relate to hemp? with John Hicks, MD

International lecturer, author, and pediatrician, Dr. John Hicks has practiced integrated holistic medicine for over 35 years. With an innovative approach to chronic disease, Dr. Hicks uses objective laboratory analysis to individualize medical and nutritional support, applying progressive and proven treatments to the wellbeing of each patient. A researcher and clinician, Dr. Hicks's recent focus has centered on the human endocannabinoid system and how cannabidiol – better known as CBD – is related. Dr. Hicks talks with Teri about what CBD is; what the endocannabinoid system is; how CBD relate
