March 20th 2014: Living Your Dream, Finally!

Serenity Stewart is a top jazz singer—a seasoned entertainer described as "Sultry, a little bawdy, and very talented...a stunningly talented songstress with a naughty twinkle in her eye and plenty of curves all around." She has two successful albums and a very busy performance schedule including a recent tour in Europe. In 2005, after suffering a brain aneurism and writing a will because she was sure she was dying, she surprised everyone, especially herself, by making a full recovery. During that recovery she realized it was time for her to live her dream. She will tell us her story, share her
