Monday at 12 Noon Pacific
March 17th 2014: Preserving Family Assets by Planning for Long Term Care Expenses

As Baby Boomers enter retirement years, they become more concerned about not outliving their money. A key component of an effective retirement distribution plan includes managing the potential costs of Long Term Care. In this interview, Clifford Faintych, MBA, AIF®, CFP®, ChFC®, explains what you need to know about protecting your family's assets and maintaining a retirement lifestyle. He will cover managing retirement distributions to minimize the risk of outliving your assets, planning for Long Term Care expenses, how to select the right insurance, how to spend down assets before qualifying
