March 24th 2014: Powerful Partnership

What do you get if you take a Physical Education teacher and a Leadership Coach, then mix them together with students from an elementary school? Power Circles! Join us for an inspiring conversation about this new program that has been running in a local school over the past two school years. Learn what it takes to step outside the box, to co-create even when you hold different experiences and perspectives, and to surrender what you know so that teachers can become students and students can become teachers. Be sure to have a box of tissues nearby, because what you will hear will surprise you
