April 9th 2014: The Hummingbird that Answered My Heart's Calling

Noelle Meade-Izzi is "The Pollinator Queen." Her utter delight and passion for bees, birds, butterflies and bats makes her their leading advocate at a time when mysterious declining hive census, diminishing habitat and various other threats loom large on the horizon. But for Noelle, the crisis is more than a natural one-it's spiritual. Because she maintains it is nature that uplifts us by embracing us with its beauty and bounty. This she knows firsthand. In her new book, *The Hummingbird That Answered My Heart's Calling*, Noelle recounts her own touching story of her three-month sojourn with a m

Noelle Meade-Izzi

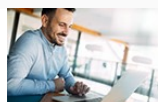

Noelle Meade-Izzi is an entrepreneur, philanthropist, author, speaker, award-winning graphic designer and renowned Natu-journalist. She captures contemporary, visual reality with her camera and combines wildlife anecdotes and facts to encourage every person's potential to connect with and preserve nature. Her passion for nature and wildlife photography stems from her research and study of the wisdom of the animal world, animal symbolism and animal totems. Noelle also endeavors to discover the extraordinary within the ordinary--right in our own backyards. Her book, *The Hummingbird That Answered My Heart's Calling*, is a testament to the power of nature and its ability to teach, heal, and re-co
