April 03rd 2014: Future Proofing Your Kids: The New Rules of Parenting

What is your goal as a parent? All parents want the very best for their children on an emotional, educational and social level. Above all, parents want to raise self-sufficient adults. It is important to recognize that parenting has changed dramatically in recent years, and so has the need to prepare your child for success in a world of unprecedented change. Self-awareness is more important than building self-esteem. Teaching kids to be safe online is as important as teaching kids to be safe in the real world. Developing character strengths is more important to kids' success than developing
