April 8th 2014: Listening to Family Caregivers
Caring for Psychosis

Lisa Feldstein is the principal lawyer at Lisa Feldstein Law Office, <http://familyhealthlaw.ca/>. She practices family health law, which includes providing advice in reproductive law, mental health law, privacy, elder law and other health law matters. She talks about her career, experience with family caregiving, work in family health law, and one of her newspaper articles. She discusses challenges that family caregivers experience when they see warning signs that a family member may be starting with psychosis or psychotic episodes, when they try to get help, when the police are alerted, and wh
