**April 10th 2014: From Pretoria: the GIBS Dynamic Markets Index Compares Catalysts for Growth, Wealth Creation and Innovation Across 133 Countries**

Emerging markets? Frontier market? BRICS? MINT? MIST? CIVETS? PIIGS? As the players in the global marketplace continue to reinvent themselves and growth and innovation migrate to the economies of the East and South, how do we best allocate our resources? How do we identify the markets best match our objectives and capabilities? Help is here. The University of Pretoria's Gordon Institute of Business Science has launched the Dynamic Market Index. The DMI helps identify the catalysts for change: conditions and institutions that help economic growth, wealth creation, innovation and socioeconomic d
