### Speaking of Health with Dr. Michael Kudlas Archives Available

April 11th 2014: **Bau Biology: How earth energy affects our life, Part 2**

We live in vast sea of energy. It's all around us and affects us daily. Depending on the energy it can be healing, neutral or damaging and we may not even know it. What is Bau Biology? What is Bio Geometry? What are subtle energies and how do they affect us? How can we take charge of this energy sea for our health, healing and protection? Join me with my guest Harold Ballen, a licensed engineer and certified Bau Biologist as we explore the energy fields around us and how this sea of energy affects our daily lives.

#### Harold Ballen

Harold Ballen has been a Practicing Engineer for nearly 50 years. He has spent most of his career working in the Pharmaceutical Industry or in companies that supply it. During that time he has had a wide variety of experiences such as designing specialized equipment and systems, building research labs both domestic and off shore including P3 infectious disease containment facilities, labs to handle radioactive drugs, pathology and toxicology facilities and systems for a major chemical production campus. In 1975 he was licensed as a Professional Engineer. In 1977 he received an MBA in management and a minor in finance. He was eventually promoted to VP of Pharmaceutical Manufacturing Engine
