April 22nd 2014: Women Unite on the Web to Defeat Fraudsters

Monica Draper, www.draperwebdesign.com, talks about her career and experience with family caregiving. She describes her experience with an alleged fraudster, and explains the effects that this experience had on her. She discusses her own experience and what she knows of the experience of other women in getting action from the police and justice systems. She identifies what she sees as the most important obstacles she and others face in getting money back from fraudsters. She explains how she wants to use the web to help women unite to defeat fraudsters, to overcome or work around the obstacles
