Sandra Champlain, <http://www.sandrachamplain.com/>, authored 'We Don't Die - A Skeptic's Discovery of Life After Death', published In January 2013. It became a #1 best-seller in the United States and Canada. She talks about her life and experience with family caregiving. She describes her book and says why she wrote it. She explains her book's statement that she was plagued by a lifelong fear of death and dying. She talks about the search she started, why she started it, what she discovered, and the effects on her of her discoveries. She explains the new understanding she gained from her discov
