**May 02nd 2014: Hidden and Exotic Causes of Cancer:
Navigating the Cancer Maze – Reducing Risk and Enhancing Survival**

On Navigating the Cancer Maze this week we take a look at some causes of cancer that may surprise you! I will be sharing with you how to protect yourself and reduce risks. Next time you travel to an exotic destination for that long awaited holiday, after listening to today's show; you can travel with knowledge of how to reduce your chances of becoming ill during your stay. The cancer of tomorrow can be caused by infections and infestations of a variety of "microscopic bugs" that you may not know about. It is little known by travelers, but well known by scientists and researchers, that some can
