Gratitude ... what is that? Do you have it ... for others ... for you? What are you grateful for? Who are you grateful for? Is it only for the "good" stuff? Gary Douglas, the founder of Access Consciousness® says that unlike love, gratitude can only exist without judgment. So again, what are you grateful for? Does your gratitude create more? Is your life better for that gratitude? How? We'd love you to join Anne and her special guest, Diva Diaz, as we begin a conversation about gratitude.
