May 19th 2014: Mothers for a Human Future

Enola G. Aird is a lawyer, activist mother, and founder and director of Mothers for a Human Future, <http://mothersforahumanfuture.com/>. Marcy Darnovsky, PhD, is Executive Director of the Center for Genetics and Society, <http://www.geneticsandsociety.org/index.php>. They talk about their lives and work, and the missions of their organizations. They explain the harmfulness, such as undermining of the dignity and well-being of children and the health and the safety of future generations, that they see in the ways in which human genetic engineering and assisted reproductive technologies are develop
