May 31st 2014: Heal Thyself! Scar Treatments

A common misconception is that plastic surgeons have some special magic that can take scars completely away. Scar removal is not really possible. The truth is, good technique can lead to minimal scars, but nothing can take them away. If you get a cut, you get a scar; forever. However, some exciting products now promise to advance the fight against scars and help minimize them even more than ever before. This episode is all about treating scars. Whether from an accident, an injury, or even from your cosmetic procedure, there are exciting options to reduce the resulting scars. Joining us this we
