Tune in
Archives Available on VoiceAmerica Empowerment Channel

Ever wondered why you get along great with some folks and not so great with others? Part of the issue is the relationship chemistry between the two parties. Today's first guest Rochelle Hirsch, who wrote the book Relationship Chemistry, will discuss the eight types of relationships that people have. She will also discuss how to change those relationships and reduce the stress you may be experiencing. Deanne takes the mic as second guest and discusses MOTIVATION. Can you motivate a direct report? Deanne has trained over forty two thousand managers on management skills. And she will answer that
