**June 18th 2014: The Profit of Civility in the Workplace...  
Choose It or Lose it....**

Every workplace relationship will affect your profit. Civility in the workplace as a business strategy will not only increase your profits, it will also provide you with a healthier lifestyle with less stress. Simply defined, Civility is honoring and valuing each person. How are you treated and valued at work? When you are not feeling valued do you give 100%? If you are not valuing and encouraging your employees are they giving 100%? Incivility in the workplace cost US corporation 300 billion dollars per year. Learn what profits you may be losing today and how to build a business strategy to in
