June 17th 2014: Memory Development Skills for Business

A good memory can help you appear smarter and more prepared in the competitive world of business. When your memory is sharp, you're more efficient, less stressed and you feel more confident - especially as you get older. Your memory can also save your life when you are under duress. Join us as memory expert Matthew Goerke talks us through the issues of modern life and its effect on memory, as well as some steps you can take immediately to fine tune your memory.
