June 23rd 2014: Sing Baby a Song (with the Laurie Berkner Band)

As many parents know, music can soothe the savage beast—and baby. Fortunately for today's parents, the music in the nursery doesn't have to be just "ABC" and "Twinkle, Twinkle Little Star." The Laurie Berkner Band has been a leader in performing and recording "kindie rock" for children in the preschool generation; their latest album, Lullabies, is perfect for the infant and toddler set. Listen as Marie talks with Laurie about the band's new album and the role of music in supporting child development, as well as educating, stimulating curiosity, and calming and soothing young children. Comparin

Laurie Berkner Band

Laurie Berkner has been a professional musician since 1992, but her success as a children's recording artist and innovator in the "kindie rock" genre was a surprise to her. "The more I started working on material for children," she explains, "the more I realized that it opened up creativity in me that I never knew I had." Laurie's childhood in Princeton, NJ and her college time at Rutgers University was filled with musical activities, including choirs, bands, and musical theater. She worked as a children's music specialist before becoming a recording artist. Her music was featured on the popular preschool show Jack's Big Music Show. Laurie's music is the focus of a short-form animated serie
