June 23rd 2014: Informing Family Caregivers about Vector-Borne Illnesses such as Lyme disease

Jim Wilson, President and founder of the Canadian Lyme Disease Foundation, <http://canlyme.com/>, is himself a victim of Lyme disease and the father of victims of Lyme disease. Rossana Magnotta established 'The G. Magnotta Foundation for Vector-Borne Diseases', <http://www.gmagnottafoundation.com/>, with the primary mission of helping to establish Canada's first research facility for Lyme disease. They talk about the consequences of Lyme disease for them and their families, and their work with Lyme disease. They discuss the challenges they experienced in getting the information they needed when Ly

### Featured Guests

#### Jim Wilson

Jim Wilson is President and founder of the Canadian Lyme Disease Foundation, is himself a victim of Lyme disease and is the father of victims of Lyme disease. He's been involved in networking with Lyme victims and providing them with scientific information for over 15 years. His background in the investigation of medical malpractice and legal liability has given him insight into medical research. In the medical research on Lyme disease he found conflict of evidence and conflict of interest. Both of these, he says, are rife within the medical industry.
