### Forget Patience, Let's Sell Something! Archives Available July 17th 2014: Be Successful In A Collaboration Economy

This is how you take control of your future and your finances.

The world and the world of business are rapidly changing. There has never been a greater surge of people becoming entrepreneurs in history. This has created a dramatic increase in competition, and it's causing many sales professionals, business owners and entrepreneurs just like you to worry about the future success of their business and livelihood.

Those who continue to do business today the same way they did even a year ago are discovering it's only getting harder, more stressful, and less profitable. As
