Tuesday at 7 AM Pacific /10 AM Eastern  
July 22nd 2014: Is Finance Ready for the Cloud?

The buzz: Cloud. Finance is warming up to adopting the Cloud, to help provide strategic advice to the business, operate more efficiently, and maintain compliance. But Finance first must figure out how to balance ease of ownership, low-cost predictable subscription model, less IT dependence, with concerns about security and data integrity of critical finance information in the Cloud. When? The experts speak. Joshua Greenbaum, Enterprise Applications Consulting: "The Office of the CFO needs to be split into the Office of Financial Compliance and the Office of Financial Innovation so we can igno
