Family Caregivers Unite! Archives Available

July 28th 2014: Family Caregivers, Hearing Loss and Family Caregiving

Dr. Noreen Gibbens is the lead audiologist for hi HealthInnovations, <https://www.hihealthinnovations.com/>, and a field team representative for the state of Tennessee. Her responsibilities include assisting patients with hearing testing, fittings and aural rehabilitation, and ensuring clinical quality companywide. She talks about her career and experience of family caregiving. She explains her work with the company especially as it relates to family caregiving, and the services it provides. She discusses the challenges created for family caregivers by hearing loss in children, aging adults, and
