Access Consciousness Presents Beyond Saying Thank You
Archives Available
July 29th 2014: Creation and Gratitude

Do you have books, projects, songs, paintings, sculptures, businesses that are asking to be created ... in fact, screaming to be created? Are they in the "someday" pile? Do you worry about what others will think and say? Do you wonder whether you can pull it off? Do you doubt yourself? Join Anne and her special guest, Blossom Benedict, as they talk about creating when you give yourself the time and space to create ... when you create from the space of no judgment and instead create in the energy and flow of creation.
