Dr. Christine Horner

Christine Horner, M.D., FACS, is a nationally known surgeon, author and professional speaker and holds two board certifications: the National Board of Surgery and the National Board of Plastic Surgery. Horner was recognized as a leader in her field shortly after starting her plastic and reconstructive surgery practice because she successfully ran a national campaign to pass laws requiring insurance companies to pay for breast reconstruction following mastectomy. Her five-year crusade with the Breast Reconstruction Advocacy Project (BRA Project) led to the passage of an unprecedented federal law that was signed by President Bill Clinton in 1998, requiring insurance companies to pay fo
