Between the Synapse Archives Available August 07th 2014: The Strategy of Oil

Black gold, Texas Tea...whatever you call oil, it remains of vital strategic import, often the source of unrest, uncertainty and war. While we see significant gains each year regarding alternative sources for fuel and other energy needs, oil remains front and center. Joining me on Between the Synapse will be Anne Korin, an expert on the strategic importance of oil and a leading advocate on ways to minimize that importance. Listen in as we talk about alternatives to gasoline, the politics of change, and global hot spots including the Ukraine and Iraq.

Featured Guest

Anne Korin

Committed to reducing the strategic importance of oil, Anne Korin serves as co-director of the Institute for the Analysis of Global Security (www.iags.org), an adviser to the U.S. Energy Security Council (www.usesc.org) and chair of the Mobility Choice Coalition (www.mobilitychoice.org), an alliance promoting a fiscally responsible, free market oriented approach to expanding competition among transportation modes. Appearing often in the media to discuss oil, energy and foreign affairs, Korin's articles may be read in such publications as Foreign Affairs, The American Interest, The National Review,
