**August 14th 2014: Unlimited Love: The Legacy of Sir John Templeton**

Sir John Templeton's talents in the investment world established his great fortune, but it was his passion for spiritual matters and his brilliance with big ideas that led to a life and legacy dedicated to Unlimited Love.

Our guests, Drs. Josephine Templeton and Stephen G. Post, will discuss Sir John Templeton's life and legacy as it's captured in Post's book written at Sir John's behest, *Is Ultimate Reality Unlimited Love?*.

Tune in every week to hear new guests share how they are making the world a better place and to learn how you can become a BetterWorldian!

## Featured Guests

### Dr. Josephine Templeton

Born in Capri, Italy, Josephine (Pina) Templeton attended Fordham University and the University of Rome Medical School. She completed residencies at the Medical College of Virginia and the University of Pennsylvania. In 1977, Pina began a private practice in pediatric anesthesia at The Children's Hospital of Philadelphia and was appointed to the faculty of the University of Pennsylvania. Pina retired from the active practice of medicine in 1999. She is involved in many philanthropic activities and presently serves as a trustee of the John Templeton Foundation and Templeton Press. Pina is a board member of the American Revolution Museum and is a member of several committees at the Union League

### Dr. Stephen G. Post

Stephen G. Post, Ph.D. is the best-selling author of *The Hidden Gifts of Helping*. He speaks widely on themes of benevolent love and compassionate care at the interface of science, health, spirituality, and philanthropy. His work has been featured in periodicals such as *Parade Magazine* and *O: The Oprah Magazine*, and on such media venues as *The Daily Show*, *John Stossel*, *20/20* and *Nightline*. He has addressed the U.S. Congress on volunteerism and public health. In 2001 he founded the Institute for Research on Unlimited Love in 2001, named by Sir John Templeton, who personally selected Post as President. The Institute is a free-standing non-profit that researches and distributes knowledge on self
