August 12th 2014: Essential Oils for Complete Healing

Katt and Brian Wamsley are passionate about living highest and best. With this learning they have achieved greater health and happiness. Their desire is to teach others how to do the same. Since being introduced to these products they have had success with pain relief, skin conditions, gout, allergies, and a slew of other things that pop up in daily life. Maybe essential oils can help you overcome debilitating conditions and other health problems, too?

Featured Guests

Katherine (Katt) Wamsley

A Young Living Distributor with a passion for living life to its Highest and Best. As trained Organization and Relationship Systems Coach, as well as a background in Hypnotherapy, she loves being in relationship with people wanting to make a difference in their lives. She has spent a decade on a path of wellness that has spanned a variety of modalities including coaching and healthy catering. In 2013, she began dealing with a rapidly debilitating back injury that had her having to step back from a job she loved and spend much of her time bedridden. After a year of limited success through traditional methods of treatment and a high reliance on medications she was introduced to Young Living

Brian Wamsley

A Young Living Distributor, also with a passion for living life to its Highest and Best. He loves being in relationship with people wanting to make a difference in their lives. He brings over 20 years of customer service experience in both the computer and medical industries. He has spent the last ten years on a path of wellness that has spanned a variety of modalities including coaching and healthy catering. With this learning he have achieved greater health and happiness - he has reversed Congestive Heart Failure which has greatly increased his mobility. This recovery has helped him find a passion for helping others along their wellness path. Last year, he was introduced to Young Living
