August 14th 2014: Ride to Success and Performance Matters

After experiencing a brain injury in a life changing car accident our first guest Dr Marie Malayter was faced with several months of recovery, a career reinvention, and a life values assessment. She lost her memory and communication filters. Her world was shattered. During her journey of recovery and life reinvention, she discovered many people needed guidance on how to really love their lives and how to make simple shifts to lead more fulfilling lives. Doc Maria will share how she was able to embrace a better rounded lifestyle balancing work and life. Our second guest is our host Deanne DeM
