**August 29th 2014: Special Encore Presentation: Spinning Gold from Straw: How trauma transformed a Doctor's Life and Practice.**

Dr Bruce Whelan is a specialist GP who has been in Practice for 45 years. His passion for his vocation remains high with specialties in pain management, addiction and a broad range of physical and psychological issues including cancer medicine. Dr Whelan quotes Carl Jung when I ask him about his way of helping patients; he answers "Only the wounded physician can help to heal." Defining the difference between healing and curing is important in understanding the complexities of recovery from illness. Dr Whelan frames this within his own life story when in October 2002 he became personally involv
