**September 17th 2014: Health Care: From The Military to the Private Sector**

Dr Naikai Butler began her health care career as a United States Corpsman and ended up as a business owner of an audiology company. Learn what it takes to be a successful entrepreneur, how to avoid common mistakes most new business make, whom you need to be part of your business team, and how she offers a new experience in audiological care that breaks from the traditional way people have been served. Her passion is bringing improved hearing and better communication to her patients and to hear their joyful stories of what they are experiencing through better hearing! Her journey is one of per

#### Dr. Naikai Butler

Dr. Naikai Butler began her health care career as United States Navy Hospital Corpsman where she received numerous awards. Afterward, this Dallas native earned a B.S. in Biology and a B.S. in Interdisciplinary Studies from the University of Texas Arlington. She then earned a Doctor of Audiology degree from Salus University in Pennsylvania. As an Audiologist, she worked as a trainer for one of the leading hearing instrument companies. In 2011 she opened Hearing Services of North Texas. She has provided care to over 600 patients in her practice. She brings her technical expertise and her passion for helping people hear better to our community. Her professional memberships include Board Ce
