### Frankly Speaking About Cancer with the Cancer Support Community Tuesdays at 1 PM Pacific September 16th 2014: Balancing a Career with Cancer

When cancer strikes, it can impact every area of your life—your personal life, your family life and even your work life. Balancing your career with your cancer diagnosis can be one of the most complex challenges of the cancer journey, from deciding how to tell your coworkers, to taking time off and balancing the financial impact of cancer. Joining us to help us navigate these challenges are Rebecca Nellis, Vice President of Programs and Strategy for Cancer and Careers, and Monica Bryant, Chief Operating Officer of Triage Cancer.
