September 23rd 2014: Mythbusters - Chiropractic

Dr. Bob Woolery and I spent last week talking about what Chiropractic IS; this episode, we will talk about what it IS NOT. Many people (who do not know any better) think Chiropractic is a sham procedure to rip people off. Chiropractic is many different things, but it is not a form of snake oil. There is much more evidence of its effectiveness for what it claims to do to as there is for medical procedures such as disc surgery, tonsillectomies, and gall bladder removal operations. We will talk about why people think that once you go to a Chiropractor, you have to go for the rest of your life
