What happens to your body when you rub on deodorant or antiperspirant that contains aluminum on a daily basis? What happens when you brush your teeth regularly with toothpaste full of blue plastic beads? Have you ever read the labels on your skin care products and makeup to realize they are full of dyes and things you can't pronounce much less understand? Are you aware of the harmful effects these chemicals can have on your health over a long period of use? Isn't it time we take a look at what we put on our skin? After all, the skin is the largest organ of our body and what we rub into it affe
