September 26th 2014: The Monthly Money Mystery

"Oh No! Where did it go?", said Inspector U standing at the local atm. Everything has a story including the money that comes in and out of your life. For many people, the story can be a gripping mystery plot. The core character is always Inspector U. The choice to ignore or actively use each clue will either help design the outcome of the story plot or leave it as an unsolved mystery. By setting up a Personal Action Plan you can be Mighty and take control of the inflow and the outflow of your money. With a plan, you will know what steps to take when you look at your own clues. Donna Cutler

Donna Cutler has had a lifelong enthusiasm for tracking and organizing numbers. When she was 10, her father gave her the challenge of finding a 50 cent difference in manual ledger pages he was balancing for the church. That experience produced a lasting love for numbers and for finding the stories behind the numbers. This has been the basis for her entire professional career. For the past 11 years, she has been the co-owner of a successful company that provides bookkeeping and basic accounting services to small businesses. She has helped many clients organize the financial side of their business. She believes that everyone has the ability to understand the stories of their own number
