**October 02nd 2014: RAISING POSITIVE CHILDREN IN A NEGATIVE WORLD**

The right mindset, parental support at home, and effective instruction in school, can move any child to the top of the class. Academic excellence is not the exclusive preserve of any particular juvenile category, and every single child is validly capable of excelling in school. The important role that parents play in defining their children's academic future cannot be overemphasized. We have seen extremely intelligent students perform poorly in school simply because they never received the kind of support they need at home to complement learning in school. In summary, parents can play a fundam
