Navigating the Cancer Maze Archives Available
October 3rd 2014: How Surgeons Can Help You Navigate the Colorectal Treatment Maze

Today's Navigating the Cancer Maze comes to you from Singapore where I have recently had surgery to replace a neuro-stimulating device that allows me to have normal colon function. Today I interview my surgeons; Dr Francis Seow Choen & Dr Lim Jit Fong; both specialists in colorectal issues. Dr. Seow-Choen is a colorectal surgeon and is leading the development of colorectal surgery in Asia. He consults globally on difficult cases & trains CR surgeons in many countries. Dr Lim Jit Fong has a strong interest in minimally invasive colorectal surgery & is adept at laparoscopic (keyhole) colorectal

Featured Guests

Dr Francis Seow Choen MBBS (Spore), FRCS (Edin), FAMS
Dr Francis Seow Choen is himself a medical miracle. As a 7 year old he recovered from major surgery for a cancer in his small intestine after facing a horrendous 6 months of radiation treatment and chemotherapy back in 1964 when treatments were harsh.
