November 04th 2014: The Nature of Leadership

Leadership in this reality is all too often reduced to a position of control & limitation; a dictatorship in which ONE source point rules it ALL and demands blind following. Is that truly the nature of leadership the animal kingdom is imploring us to know is possible? Join Jonas Svensson and Suzy Godsey as they delve into a totally different reality of leadership. I wonder...what would be possible if we took full advantage of the nature of leadership inspired by the animals of the planet?
