November 06th 2014: Rape Culture in America

"Rape culture" is a culture in which sexual violence is considered the norm — in which people aren't taught not to rape, but are taught not to be raped. Joining Between the Synapse to discuss this issue will be poet and writer Sarah Marcus, who's recent essay, "The Night Facebook Suggested I 'Might Know' My Rapist," has appeared on numerous sites and garnered significant attention. This is a don't miss episode.
