Family Caregivers Unite! Archives Available November 11th 2014: Treatment for Crohn's Disease

Aida Fernandes is the Chief Science & Education Officer at the Crohn's and Colitis Canada, <http://ow.ly/DKLCBv>. She leads its research, patient services and advocacy programs. She talks about her life, career, and experience with family caregiving. She highlights her work with Crohn's and Colitis Canada. She discusses the themes of the November, 2014 Conference 'Meeting of the Minds: Mentoring in IBD and Canada Future Directions'. She describes the most challenging of the challenges to health associated with the digestive and immune systems when these are affected by Crohn's disease and coliti
