November 13th 2014: The Present & Future of Public Universities

While Public University Education in this country is in crisis, no one can agree on the problem much less a solution. Some governors and state legislatures utilize fee and/or tuition hikes to resolve issues while others want course offerings determined by a ROI analysis. Despite government's role in the future of public higher education, little if any research has been conducted to help understand how elected officials perceive the issue; at least until now. Dr. Matthew T. Lambert's "Privatization and the Public Good: Public Universities in the Balance" (Harvard Education Press, 2014) is perha
