**November 6th 2014: Special Encore Presentation: Implementing the National Ocean Policy**

Alison Chase and Sarah Chasis (pictured) of the Natural Resources Defense Council talk with Rob about what Sarah calls "a recipe for smart ocean management that could set our oceans on track to long term health." With so many American jobs and communities dependent on oceans, this is a most opportune time for ocean planning. Let's dive in. Recently President Obama issued the final plan for managing our oceans, a call for collaborative communications and management across 27 federal agencies and departments in concert with state agencies, municipal, local groups and tribal nations. The Nat
