**PI's Declassified!**  
**Thursday at 9 AM Pacific**  
**November 20th 2014: Make Your Best Better**

Whether you are a corporate leader, an entrepreneur, or a business owner such as a private investigator or other legal professional, this show is for you. Learning skills to be more effective, more productive and reduce the clutter in our lives becomes a life-long project for many of us. Productivity coach and author, Jason W. Womack's unique real-world perspective offers a practical and actionable blueprint to boost your performance and redirect your energy, your focus and your time.

**Featured Guest**

**Jason W. Womack, MEd, MA**

Jason W. Womack, MEd, MA, sees the world differently. He does not compromise when it comes to increasing productivity and finding time to work on the most important things. Jason is an international speaker, productivity coach, and author of the PERSONAL business development book: "Your Best Just Got Better: Work Smarter, Think Bigger, Make More\*", (Wiley, 2012). Clients describe him as a "force of good." Jason has worked with leaders and executives for over 16 years in business, military and higher education sectors. His focus on creating and implementing ideas that matter change the way leaders work and create environments where sustainable productivity is the norm. He provides practi
