**November 25th 2014: Who is Shane Wolfe and what is Future Proof?**

The journey that has brought me to Future Proof Radio started in 2004. It has been a very long and interesting one. I'll be discussing how my career evolved from working with databases in the insurance industry to learning automation, mechanical systems and building science with Honeywell. I'll also discuss my life as a consultant and how I saw green building not catching on as it should despite it's high importance regarding the health and well being of our society and our planet. These insights led me to create the idea of Future Proof, write my book and inspire me to create FutureProof
